

Fourth Year Running Mimecast Named a Gartner Magic Quadrant Leader for Enterprise Information Archiving

December 6, 2018

Mimecast Positioned Highest on the Ability to Execute Axis

LEXINGTON, Mass., Dec. 06, 2018 (GLOBE NEWSWIRE) -- [Mimecast Limited](#) (NASDAQ: MIME), a leading email and data security company, today announced it has retained its position as a Leader in the Gartner 2018 Magic Quadrant for Enterprise Information Archiving. This is the fourth year in a row that the independent industry analyst firm has recognized Mimecast as a Leader. [The report](#) provides a detailed overview of the enterprise information archiving market and evaluates and compares vendors based on their completeness of vision and ability to execute.

Additionally, Mimecast has been positioned highest on the ability to execute axis. Mimecast Cloud Archive is engineered to provide an all-in-one cloud service that integrates a highly secure data repository, built-in data recovery, storage management and robust e-discovery and compliance capabilities. Mimecast archives business critical data for over thirteen thousand organizations around the world. Customers rely on Mimecast to retain, discover, and access content seamlessly-at the same time establishing a corporate memory and unleashing valuable insights.

"Today's enterprise demands lightning fast search speeds and easy-to-use tools for compliance, e-discovery and rapid recovery when systems go down," said Peter Bauer, chief executive officer at Mimecast. "Our vision as a company has always been to integrate multipurpose archiving with security and continuity. We believe Gartner has recognized us for our integrated platform and our ability to offer a [comprehensive set of capabilities](#) to improve overall resilience. As one of the longest-running large-scale cloud operations in the world, we feel we've spent years working to make corporate data valuable and accessible to each person and function across the organization. We believe that this recognition is the end result of Mimecast's product innovation, exemplary customer support, industry-leading search performance, and expertise across archiving, security and business continuity."

According to [Gartner Peer Insights](#), a platform for ratings and reviews of enterprise technology solutions by end-user professionals for end-user professionals, "Mimecast is a breath of fresh air. Every time I have to interface with their sales or support teams, I leave more satisfied with our choice to use their services." says a VP of IT in the Services Industry.
